### The heartfelt stories behind Restaurants Care

Hear members of the California restaurant family tell us how they were helped, in their time of greatest need, by donations to the *Restaurants Care* program. This is thanks to support from people like you, who stepped up and helped. Your donations go to real people. Thank you!

### New Gallup poll: Most employees like varied schedules

According to a recent poll of non-salaried workers, 67 percent say that variable schedules do not cause financial hardship. The results bring into question whether predictive scheduling is as important to employees as proponents claim.
