

You may have team members who are **losing MediCal coverage this year** due to a federally-mandated **eligibility review**

YOU CAN HELP FOR FREE

Our free service helps your team members find individual and family health insurance plans that work for them, with no employer commitment or contribution.

Your team will talk to licensed experts who can:

- Enroll employees and their families easily over the phone or online with support in multiple languages.
- Ensure employees get access to lowest-priced plans and maximum federal subsidies.

Pass along to your team—we make it easy

Contact us for your free materials

Post materials in your staff areas so your team doesn't go without coverage

Options vary by county and state
