Attorney General issues guidelines on handling workplace raids

California's attorney general issued guidance to employers across the state regarding employees' rights

to privacy when federal immigration agents come into the workplace. This guidance comes after AB 450 went into effect on Jan. 1. This law prohibits employers from providing immigration enforcement officials access to nonpublic areas and to employee records without a warrant or subpoena, except as mandated by federal law. You can also [click here](#) for the CRA's Industry Insight on immigration compliancy issues in the workplace.

Restaurants look at afternoon service for new opportunities

Consumers are starting to move from breakfast fanatics to brunch and late lunches. That's why restaurants are seeking to improve their lunch and midafternoon sales with new messaging and dishes for an under-utilized time of day. Here are some examples of ways to reach new customers.
