California to require masking up indoors for a month to slow uptick in COVID-19 cases

The state's top health official has announced a mask mandate for public, indoor places, including restaurants. The state is reacting to an uptick in COVID cases and hospitalizations, and the fast-spreading omicron variant.

PAGA repeal may be on the ballot in 2022

The CRA is helping to lead a growing coalition of California business groups working to take PAGA reform directly to California voters. Our early partners include the California Chamber of Commerce, the California New Car Dealers Association, and the Western Growers. Our proposal is better for California businesses, employers and employees alike. [**View the CRA's press release for more information.**](#)

Prop 12 countdown: California food industry leaders fight back

The CRA, along with grocers, retailers, and a family meat processor have filed a lawsuit, seeking more time for producers to comply with new animal confinement rules. Those rules are still being finalized by state regulators, three years after voters passed Proposition 12, a new law regulating certain types of animal confinement.
