## CALIFORNIA

### **After devastating year, restaurants look for hope in 2021**

This year has to be better than 2020, right? That could depend on a number of factors beyond the control of restaurants, including the success of vaccine administration and the success of federal stimulus. CRA members: stay tuned for more information in the coming weeks about the CRA's work toward getting restaurants safely reopened.

## FULL STORY

### Gov. Newsom wants dentists to help with COVID-19 vaccinations, says pace 'not good enough'

Gov. Gavin Newsom said his administration is looking for ways to speed the administration of vaccines, admitting that the rollout in California has been too slow. Other U.S. states and some other countries are also struggling to quickly administer the vaccines they have on hand.
