## CALIFORNIA

### **California faces more tough choices ahead as it battles coronavirus**

Californians thought they had flattened the curve. Then, as the economy began to gradually reopen in late May, many rushed back out – often without masks or social-distancing. That means coronavirus restrictions could become more severe.

**ABC 7 News**

**SF, Oakland, Hayward faced more than 300 permanent restaurant closures since March, study finds**

According to an analysis done by Yelp, the largest number of recent, permanent business closures is in California, and the Bay Area is the third hardest-hit metro area in the country.

Forbes**

**Opinion: Lawmakers should reject one-size-fits-all approach to disposing of organic waste**

An Assembly bill aims to set limits on which companies can haul away and recycle organic waste, a proposal that would increase costs for restaurants.
