Damage control: How recent changes to the FLSA and NLRA may affect your status as a joint employer

Recent determinations by the U.S. Department of Labor and the National Labor Relations Board aim to clarify how "joint employer" is defined.

Still have questions about joint employment? Check out our recently updated Industry Insight, Joint employer liability for franchisors and restaurants after Dynamex.
Coronavirus rumors cripple LA's Koreatown restaurants

No, you can't get the coronavirus by eating Chinese food or Korean food. And, avoiding restaurants or avoiding Chinatown or Koreatown are nowhere on the list of the prevention measures recommended by public health officials. Here are some helpful resources from CRA for restaurants regarding the coronavirus.

SF mulls how to regulate ghost kitchens, food delivery apps

The state of California isn't the only jurisdiction looking into the controversial business practices of food delivery apps. Public officials in San Francisco, Rhode Island, and New York City are taking action, too, after fed-up restaurants around the country got vocal. Read the latest from NYC: New York City may crack down on Grubhub and other food delivery apps

**San Francisco taxing vacant storefronts**

An effort to fill San Francisco’s empty storefronts by taxing landlords is headed to the ballot box. On Tuesday, voters will consider Proposition D, a tax on storefronts vacant for more than six months that supporters say will motivate landlords to find tenants.
