

# YOUR SUCCESS *is* OUR BUSINESS

## SOME 2019 VICTORIES

CRA fought on your behalf, and for the good of the industry, to achieve victories on the state front.

SUPPORT THE *fight* FOR LEGISLATION THAT SEEKS TO CREATE A BETTER RESTAURANT CLIMATE IN CALIFORNIA.

### STOPPED RESTAURANT WARNINGS *SB 347*

Restaurants with a beverage dispensing machine or sales of unsealed sugar sweetened beverages must post State of California Safety Warning signs in several locations.

### STOPPED CALIFORNIA CONSUMER PRIVACY ACT (CCPA): LITIGATION TRAP *SB 561*

Creates a private right of action, allowing private individuals to sue for any violations of the CCPA and removes businesses' 30-day right to cure for an alleged violation.

### STOPPED PAPER RECEIPTS BAN/SPEECH LIMITATIONS *AB 161*

Bans certain paper receipts and restricts speech on those receipts.

### STOPPED SINGLE-USE PACKAGING *AB 1080*

Eliminates many food packaging products on the market today by setting unworkable mandates and giving CalRecycle unchecked authority to regulate or ban all single-use food service packaging products.

Get a competitive advantage with access to information and relevant products and services.
